

# Standup Meeting Documentation

Friday 10th Sep 2021

Team member	Tasks left to do	Currently doing	Completed/ Ready for review	Questions <question> : <target> E.g. should the font be larger? : All
Linh	<ul style="list-style-type: none"><li>- Write function to generate graph from users input</li><li>- Ensure a graph of Australia is automatically loaded when entering the page</li></ul>	-Research on graph js	None	None
Ali	<ul style="list-style-type: none"><li>- Verify user input of chosen country if it's valid or not.</li><li>- If the country inputs are valid , it should show the required country in the graph or F2.</li><li>- If not, the user should be shown an alert and a prompt to choose a country.</li></ul>	- constructing a function that handles user inputs and checks its validation accordingly.	None	None
Nikki	<ul style="list-style-type: none"><li>- country dropdown list</li><li>- choosing which data to show</li><li>- options to enter for setting which country and time to graph (frontend)</li></ul>	- Overall UI and CSS for app and feature 2 and 3 (formatting text and divs)	None	None
Tan	<ul style="list-style-type: none"><li>- Research about chart js and canvas tags.</li><li>- Do testing for available function of the feature</li><li>- Testing the function</li><li>- Write tutorial for chart js</li><li>- Helping with validation of input data</li><li>- Implement night mode</li></ul>	- Getting started on feature 2,3,4 , create a work frame and handling necessary data for these features.	None	None
Ryan	<ul style="list-style-type: none"><li>- Write spike for canvas</li><li>- Create second axis functionality for graph</li><li>- Add vaccination variable to graph</li></ul>	- Familiarise self with canvas graphs and setup	None	

Tuesday 14th Sep 2021

Team member	Tasks left to do	Currently doing	Completed/Ready for review	Questions <question> : <target> E.g. should the font be larger? : All
Linh	None	None	<ul style="list-style-type: none"><li>- Graphs are generated from user input</li><li>- Australian graphs are displayed when the page loads</li></ul>	None
Ali	None	None	The complete function is ready to be used properly.	None
Nikki	None	None	<ul style="list-style-type: none"><li>- Overall UI and CSS for app and feature 2 and 3 (formatting text and divs)</li><li>- country dropdown list</li><li>- options to enter for setting which country and time to graph (frontend)</li></ul>	None
Tan	None	_Implement night mode _Implement date range for graph data	<ul style="list-style-type: none"><li>- Getting started on features 2,3,4 , creating a work frame and handling necessary data for these features.</li></ul> Research about chart js and canvas tags. <ul style="list-style-type: none"><li>- Write tutorial for chart js</li><li>- Helping with validation of input data</li></ul>	None
Ryan	None	None	<ul style="list-style-type: none"><li>- Second graph axis</li><li>- Third variable (vaccination)</li><li>- Spike for canvas</li></ul>	None

Friday 17th Sep 2021

Team member	Tasks left to do	Currently doing	Completed/Ready for review	Questions <question> : <target> E.g. should the font be larger? : All
Linh	- Write tasks and time management document - write unit test for padArrayWithDates()	- Blackbox tests	None	None
Ali	- documenting user story test cases for 2 user stories. - start implementing the night mode feature.	- Night mode	None	None
Nikki	- unit testing - formatting and documentation for functions	- Night mode	None	None
Tan	None	- Blackbox tests - Implement night mode - Unit testing	- Implement date range for graph data	None
Ryan	- Update risk management document - Add axis labels - Write unit test for 2.10	- Write unit test for 2.8	None	None

\* Questions discussed in messenger chats

Tuesday 21th Sep 2021

Team member	Tasks left to do	Currently doing	Completed/Ready for review	Questions <question> : <target> E.g. should the font be larger? : All
Linh	None	None	<ul style="list-style-type: none"> <li>- Reorganise the user stories</li> <li>- Write unit test for a supporting function in Feature 2</li> <li>- Write unit tests for US 2.3, 2.4, 2.5</li> </ul>	None
Ali	None	<ul style="list-style-type: none"> <li>-Finalising user story test documentation.</li> <li>-Passing the work to nikki for the night mode implementation.</li> </ul>	None	None
Nikki	None	<ul style="list-style-type: none"> <li>- Night mode</li> <li>- formatting and documentation for functions</li> <li>- unit testing (2.1, 2.9, 2.15)</li> </ul>	<ul style="list-style-type: none"> <li>- blackbox testing</li> </ul>	None
Tan	None	<ul style="list-style-type: none"> <li>- Unit testing</li> </ul>	<ul style="list-style-type: none"> <li>- Blackbox tests</li> <li>- Implement night mode</li> </ul>	None
Ryan	None	None	<ul style="list-style-type: none"> <li>- Update risk management document</li> <li>- Add axis labels</li> <li>- Write unit test for 2.10</li> <li>- Write unit test for 2.8</li> </ul>	None
